Abstract

Puppies are Cute

by

AE PICHA

I found that puppies are cute. What a groundbreaking result!

Chapter 1

Introduction

Introduce something here.

Chapter 2

Results

It's also great to have results. Cite some other articles, for example, see [1] and [2] for more details.

Figure 2.1. Two puppies.

See Table 2.1 for the cuteness calculations.

puppy's name	birth year	random equation	cuteness factor
Brownie	1999	$x + y + \sin(z) = \log(25)$	4.2
Marshmallow	2002	$\gamma = \alpha$	5.1
Strawberry	2004	$2\beta + 3 = \sum_i j_i^2$	4.7

Table 2.1. Cuteness calculations.

Chapter 3

Summary

Sum it all up.

Appendix A

Miscelleneous

Kittens are cute too.
